

EduBridge -- Complete AI Student Platform

Domain: Education Technology -- Enterprise

Problem Solved	Coaching institutes for EAMCET/JEE/NEET manually handle admissions, doubts, motivation, study planning and parent communication -- consuming 8+ staff hours daily with inconsistent quality.
Prompt Used	<i>Complete AI platform: Master System Prompt + Admission Bot (6-step) + Doubt Clearing System (subject-wise) + Motivation Engine (few-shot + negative) + Study Planner (4-chain) + Parent Hub (conditional routing) + Security Layer (6-defense) + Distress Protocol (mental health safety).</i>
Techniques Applied	All 5-Day Techniques Combined: System Prompts Few-Shot CoT Role Negative Domain Specific Prompt Chaining Advanced Workflow Security Ethics Multi-Language Age-Specific
Output Delivered	Complete 8-component AI platform: master prompt, enrollment, doubts, motivation, planning, parent communication, security and mental health protocol -- production-ready for deployment.
Business Value	Project value Rs.20,000. Annual client saving Rs.8,00,000+. ROI 40x in year one. Deployable across 50,000+ coaching institutes in AP and Telangana -- massive scalability.
